To Whom It May Concern:

We have worked closely with **Brent Smith of SOUTHERN DIVIDE OPERABLE WALLS LIMITED** for over 12 years.

Brent has been involved with many Commercial construction and operable wall solution projects ranging from Government agencies to Private sector corporates for Zeal Commercial Interiors.

Brent's attention to detail, precision is second to none and he is proactive should issues arise and always goes above and beyond for us and our clients.

We have always found Brent to be professional and skilled in his approach to providing the ultimate delivery of our projects.

On a personal note, it is a pleasure dealing with Brent, he is professional, approachable and friendly to deal with which always makes a difference and is often what is remembered by myself and our staff.

It goes without saying that I would be more than happy to recommend Brent to any potential organisations looking to engage him for his services in the future.

Sincerely,

Aaron Stagg
